사랑일까? 은근

Author: Naeh Jeun

Hey, hey -
Why'd you prepare
so much?

You're not gonna go
night time shing? We'll probably
be too heavy for that after
eating all this!

It's alright, it's alright!
All you do is crawl around
anyway -

Haha! Do I really?

Happy Birthday,
you say?

Thanks ..

Since it's disappointing
without the candles...

Should I put at
least one in?

Happy Birthday
to you -

Happy Birthday
to you -

Happy
Birthday Dear
Doo-Kyung -

happy birthday dear
Ji-ung...

Happy birthday to you~!

Hoo~
